1 bedroom apartment with sea view over the marina of Albufeira

The Algarve is the paradise of the most beautiful beaches in Europe. These beaches of eternal charm occupy a wide arc of the Algarve coast.

In the Algarve we find Albufeira that progress has transformed into a city dedicated to tourism and leisure. First the sea and then the different shades of the Albufeira Marina.

It is in this context that we find located this housing condominium with a modern and minimalist construction (in the final phase) located next to Cerro de Águia in Albufeira, with a privileged location a few meters from the Albufeira Marina

Inserted in a private condominium, the T0+1 apartment, located on the second floor, consists of an entrance hall that gives access to a large living room with open space kitchen, with large windows and an extraordinary view over the sea and the marina of Albufeira, allowing plenty of natural light to enter throughe
